EVENTS CALENDAR 2026

JANUARY

31 December–01 January

New Year's Day

Start the year as you mean to go on: barefoot, sun-kissed and thoroughly spoiled. Join us for festive celebrations that blend champagne toasts with turquoise horizons. Welcome a new chapter with your toes in the sand and the Indian Ocean as your witness.

FEBRUARY

01 February

Full Moon Meditation

When the moon shows off, we gather. Join us at the Yoga Pavilion as the full moon rises over the lagoon for a meditation session that's equal parts cosmic and calming. Let the lunar glow reset your inner rhythm and help you release what you no longer need.

14 February

Valentine's Day

Romance, but make it Huvafen. We're crafting intimate private dinner setups where candlelight meets starlight, and the only thing more intoxicating than the champagne is the view. Love deserves a backdrop this spectacular.

17 February

Chinese New Year

Ring in the Year of the Horse with Chinese-themed dinners that honour tradition with a tropical twist. Expect bold flavours, auspicious toasts and the kind of celebration that bridges continents, while staying firmly grounded in paradise.

MARCH

19 March

Eid Al-Fitr

Celebrate the end of Ramadan with a themed dinner that brings vibrant dishes and festive spirit to our shores. It's a moment of gratitude, community and culinary artistry, served with Huvafen's signature style.

22 March

Earth Hour

For one hour, we dim the lights and ignite something bigger. Watch as we form the shape of '60', illuminated by natural bonfires against the night sky. It's a small gesture with a powerful message: the planet looks better when we take care of it together.

APRIL

01–02 April

Riedel Wine Tasting, Vinum

Step into Vinum, Huvafen's subterranean cellar, for an exclusive tasting with Riedel CEO Max Riedel. Experience how the shape of each glass transforms aroma, texture and flavour in a truly immersive, sensory evening.

05 April

Easter Sunday

Mark Easter with a special dinner that celebrates renewal and the joy of gathering around a table that overlooks infinity. Expect beautifully considered dishes, an atmosphere that encourages lingering and views that do most of the talking as day slips into night.

22 April

Join us for a Earth Day

Get your hands sandy for all the right reasons. Join our marine biologists for coral planting and ocean conservation activities that let you give back to the reef that gives us so much. It's impact you can see, touch and feel proud of.

JUNE

01 June

World Reef Awareness Day

Celebrate the underwater world with guided snorkelling and diving experiences that reveal the vibrant reef just beyond our shores. A quiet reminder of how much life exists beneath the surface.

05 June

World Environment Day

Join our beach and ocean clean-up initiative. Paradise doesn't maintain itself and there's something deeply satisfying about protecting the place you love, especially when that place looks as dreamy as Huvafen.

08 June

World Oceans Day

Discover what it takes to keep our house reef thriving. Join our marine conservation team to learn about the delicate ecosystem beneath the surface and the daily efforts that protect it.

13 June

Global Wellness Day

Nourish from the inside out with a day of vibrant, plant-based dishes from RAW and restorative practices. Think yoga, meditation, sound healing with our resident instructor and underwater spa treatments by Beata Alekandrowicz that redefine relaxation.

21 June

International Yoga Day

Kick off Wellness Week with a special yoga class led by Sayeli, our expert instructor. Whether you're a seasoned yogi or yoga-curious, there's no better time to stretch, breathe and find your flow in a setting designed to inspire inner and outer peace.
