FESTIVE SEASON

2026 - 2027

A different kind of festive season

Huvafen has always gone against the grain. Since we opened in 2004, our goal has been to create something that simply couldn't exist anywhere else. The underwater spa. The subterranean wine cellar. The single dining table nine metres beneath the ocean. The feeling, every evening, that something unexpected might be just around the corner.

This festive season, that spirit is very much alive. Whether you're here for the gala dinners, the lobster on the beach, the vintage champagne on the deck at Raw or simply the wonderful hush that settles over this island after dark, we've created experiences around the things that could only happen at Huvafen.

My team and I are delighted to have you here. If there is anything that would make your stay better, we want to know about it. That's not a formality, it's how we work.

Here's to a festive season worth remembering and a new year full of whatever you're most looking forward to.

Warmest regards

Noel Cameron

ENCHANTING FEASTS

ROCK DINNER

Walk out to your own rock island and dine at a table set for two. An exclusively designed menu paired with the perfect wines. Out on the edge of the ocean reef, surrounded by flickering torches. This is Huvafen Fushi's must-have.

LOBSTER AND CHAMPAGNE DINNER

Maldivian lobsters, grilled at the edge of the Indian Ocean, paired with champagne as the evening light fades. Live entertainment keeps the energy where it belongs. Indulgent, unhurried and only at Huvafen.

VINUM – THE UNDERGROUND WINE CELLAR

The Maldives' first underground wine cellar sits beneath the resort – a subterranean world of suspended art installations, rare bottles and serious wine knowledge worn lightly. Daily wine and cheese tastings are a good place to start. A six-course degustation menu is even better. Reservations required.

LATITUDE 4° – AN UNDERWATER DINNER

The world's only private underwater dining venue: one table, nine metres below the ocean. A bespoke menu, a front-row view of the reef and a moment that stays with you for the rest of your life. Reservations are essential – and worth making the moment you arrive.

For bookings and further information, please contact your thakuru.

ELSEWHERE ON THE ISLAND...

CHAMPAGNE AND SASHIMI

A pairing experience where the clean precision of sashimi meets the depth of great champagne, each one making the other even better..

DAILY DJ

The soundtrack to your escape – from the late afternoon, drift into evening through to whenever the night decides to end. Always the right tempo. Always Huvafen.

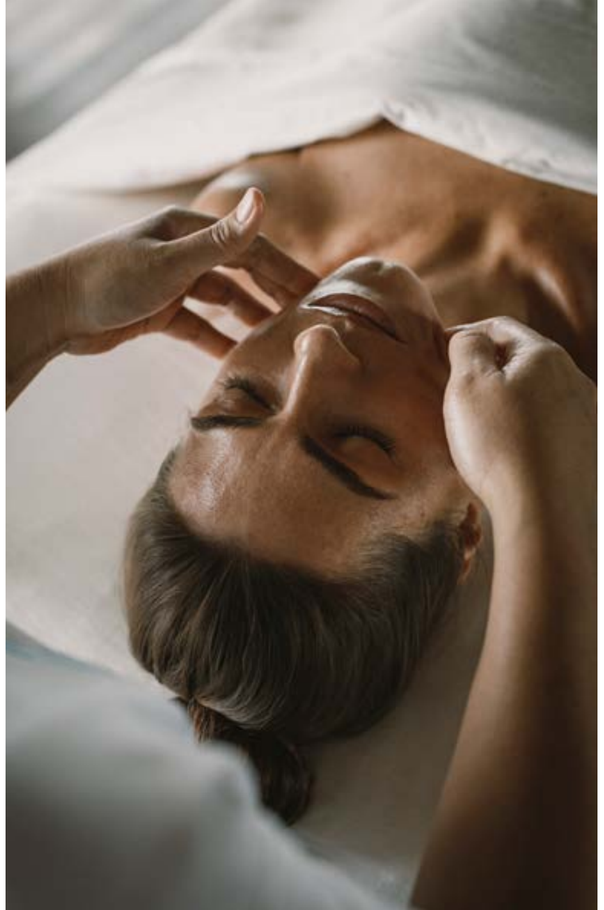
DOM ON THE DECK

Raw Deck at sunset. Dom Pérignon and a selection of vintage champagnes poured without ceremony or fuss. This is the one to come back to, night after night.

For bookings and further information, please contact your thakuru.

INSPIRATIONAL WELLBEING

The festive season is full-on by design. Which is exactly why Huvafen Spa exists.



Descend into the world's first underwater spa treatment rooms and let the ocean do what it does best – calm, reset, restore. Whether you're after a deeply therapeutic massage, a skin treatment or simply a few hours of genuine silence, the spa team will design something around what you actually need.

WATER ADVENTURES

The Indian Ocean is right there. It would be a shame not to use it. From diving the house reef to jet skiing and everything in between, the watersports team at Huvafen can take you from a gentle snorkel to a full adrenaline day on the water. The sea here is warm, clear and remarkably forgiving – whatever your level, there's something worth doing in it.
